

Viva Robotic System

Viva GNSS Base/Rover Combo

Upgrade before June 30th or you may just kick yourself

Very attractive trade-in deals are now on offer that will knock you out.

But 'now' is the operative word.

Upgrade before June 30 and you won't have to continue with your old gear for another day – *let alone another financial year.*

Trade-in your working Leica Geosystems equipment or another brand.

Do it **now**. *Don't miss this opportunity.*

Trade up now to Leica Viva GS15 GNSS Rover and / or Viva TPS Robotic System

- when it has to be **right**
